

**To:** Miller MightEvac, MightyLite Self-Retracting Lifeline End-Users

**From:** Honeywell Industrial Safety

**Date:** August 30, 2019

**Subject:** **PRODUCT SAFETY RECALL & MANDATORY STOP USE NOTICE**  
**(Immediate Stop Use Required)**

---

***Please read, review and follow the instructions in this notice carefully.***

**⚠ WARNING!** All recipients of this notice must read, understand and follow all instructions. Failure to do so may result in serious injury or death.

At Honeywell, our mission is to be the global leader in personal protective equipment with innovative solutions that protect and save lives. In line with our commitment to our mission statement, we are writing to inform you of potentially non-conforming brake components in certain models of Miller MightEvac and MightyLite Self-Retracting Lifelines manufactured within a specific timeframe. No other products are impacted by this notice.

**While there have been NO reported incidents due to this nonconformity, continued use of the product could result in serious injury or death.**

The following information provides detailed instructions on immediate actions you are required to take.

**Products impacted by this notice:**

This notice only affects the models listed in Table 1, with identified manufacturing dates or recertification dates between October 27, 2016 and October 6, 2018.

Models outside of this date range, including new units, are not affected by this notice.

**To determine whether your MightEvac and/or MightyLite Self Retracting Lifeline is affected by this notice, please take the following steps immediately:**

- **Step 1:** Look for model number on the product label and the date of manufacture (see Figure 1 below).
- **Step 2:** If the model number on the label is on the list on Table 1 AND
  - o the manufacture date is between October 27, 2016 and October 6, 2018 or
  - o the unit has been re-certified or repaired (see Figure 2) between October 27, 2016 and October 6, 2018

then **remove this product from service immediately.**

- **Step 3: Contact our Honeywell Fall Protection Specialists to arrange for repair of any affected units at an authorised repair centre:**

QLD/NSW/VIC/TAS/NZ – Tristin Walker 0418 394 995 or email  
[Tristin.Walker@Honeywell.com](mailto:Tristin.Walker@Honeywell.com)

WA/SA/NT – Ricky Gleis 0400 088 884 or email  
[Ricky.Gleis@Honeywell.com](mailto:Ricky.Gleis@Honeywell.com)

Our team is working hard to streamline the return and repair process to minimise any inconvenience.  
**Replacement of the brake component will be free of charge and at no additional cost to you.**

Honeywell has been a manufacturer of industrial personal protective safety products for more than 75 years and our customers' safety is ALWAYS our highest priority.

We sincerely apologise for any inconvenience and appreciate your cooperation.

Honeywell Industrial Safety
